Mark & Lydia Petitt are returning to Meadgate Church for this exciting one day event - Taking It To The Streets!

Mark & Lydia have been a big part of Meadgate Church; Mark was our renowned Youth Pastor and Lydia was involved in starting both our Family Movie Nights and Women's Conferences. They are currently living in Bristol where Mark is training for ordained ministry in the Church of England.

Taking It To The Streets is your chance to learn from this fun loving couple as they share their experiences and firm belief in God's love for all during the morning. Then in the afternoon, they will lead and encourage us as we take to the streets of Chelmsford to offer healing and prophecy under the guidance of the Holy Spirit.

The aim of the day is to take the presence and power of God out onto the street and to see His power move among the people so that they may know that they are God's treasure and are called to an abundant life.
